BENEFITS YOU WILL ENJOY AS A MEMBER OF LCOC

*Lincoln and Continental
Owners Club*

Invites you to join

Founded in 1953, the LCOC is now an International organization of more than 3,500 members.

The Club is dedicated to restoring, preserving and enjoying the legendary and famous Lincolns and Continentals. We recognize Lincolns and Continentals of all years, but they must be at least 10 years old to be eligible to compete for trophies at the National Meet Concours.

Lincolns and Continentals provide a common interest, but ownership is not a requirement for membership in the *Lincoln and Continental Owners Club*.

PUBLICATIONS:

LINCOLN and CONTINENTAL COMMENTS is our bi-monthly magazine which contains technical and historical information, feature articles and reports on club activities. *Comments* is profusely illustrated with photographs and drawings. There is coverage of all National Meets in full color with photos of major award-winning cars and their owners.

AN ANNUAL DIRECTORY ISSUE OF *LINCOLN and CONTINENTAL COMMENTS* lists Members, their Cars, National Meet and Concours Rules, Trophies awarded, the Constitution, Club By-Laws, Regions and other important Club data.

TECHNICAL TIPS: Trouble shooting ideas are a regular feature of *Lincoln and Continental Comments*. Back issues are still available and contain a wealth of helpful information.

AUTHENTICITY MANUALS

These are published for several models. They're available for sale to members and are valuable references for the preservation and restoration of these fine cars.

TECHNICAL SERVICES GROUP

This group has been established to provide assistance and specific information to members. This group of experts now consists of more than thirty members. Each is an expert in his/her specialty and has volunteered to respond to members who seek help. Specialties are listed by year and model and by subject, such as history, literature, technical matters and authenticity.

NATIONAL LCOC MEETS

Three are held each year - Eastern, Mid-America and Western. These three day weekend outings are filled with activities, a full Concours, an awards banquet and good fellowship. Not just a meeting of the finest Lincolns and Continentals but a meeting of members for fellowship and to share common interests.

CLUB PROJECTS

Products, parts, accessories and automobilia have been developed by National and by many of our LCOC Regions for sale to all members.

REGIONAL BENEFITS

There are 20 Regions in North America and 3 in Europe and others are planned. Each Region has its own activities usually held each month, including social events, car show, tours, maintenance, restoration and technical assistance as well as publishing a newsletter of local interests.
